

Dear Parents,

I would like each student to make a Valentine box at home. The students can use a shoe box, coffee can, cereal box, oatmeal box, etc. Please have them decorate their box anyway they would like. Have their name somewhere on the box. I would like to get all Valentine boxes by Friday, February 10th. The students can also bring in their Valentines for their classmates. A class list is provided for you. Our Valentine's Day Party will be on Tuesday, February 14th from 1:55-2:30. If you are interested in helping with the party, please contact Jenny Boylan @ jennyboylan@baldwin-telecom.net.
